INTERNAL REVIEW AND APPROVAL OF REEport PROJECT PROPOSALS

| | |
|-----------------------------------|-----------------------------------|
| Type of Project: | For Director's Office Use: |
| Hatch | REEport No.: MIS-_____ |
| McIntire-Stennis | MISV-_____ |
| Multi-State Hatch (Number: _____) | MISZ-_____ |
| Animal Health | Accession No.: _____ |
| Special Grant | Date Received: _____ |
| Competitive Grant | Starting Date: _____ |
| State | Duration (Max. 48 Mo.): _____ |
| | Replacement for: MIS-_____ |
| | MISV-_____ |
| | MISZ-_____ |

| | | |
|-----------------------|----------------|------------|
| Project Leader: _____ | MSU ID#: _____ | Org: _____ |
| Co-PI: _____ | MSU ID#: _____ | Org: _____ |
| CO-PI: _____ | MSU ID#: _____ | Org: _____ |
| CO-PI: _____ | MSU ID#: _____ | Org: _____ |
| Department(s): _____ | | |
| _____ | | |

Project Title:

Proposed Starting/Termination Date(s): From ____/____/____ to ____/____/____

| Subject Matter Reviewer | Date Received | Date Returned |
|--------------------------------|----------------------|----------------------|
| _____ | | |
| _____ | | |
| _____ | | |

1. What percentage of this project has a Forestry Component and/or an Animal Health component? If so what percentage?

Forestry _____ Animal Health _____

2. Will the proposed research require the use of MAFES or MSU facilities other than those currently allocated to the department(s) (e.g., PSRF, LARC, Branch Station, MSU forest(s), etc.?) (If yes, attach an explanation and obtain written acknowledgement of Department Head or Manager.)

3. If the proposed research is to be conducted at off-campus locations, will currently available vehicular equipment satisfy your needs? (If no, special vehicular requirements must be included in the proposed budget.)

4. Will the proposed research require purchases of major equipment items other than vehicular equipment? (If yes, submit a list of equipment items with cost estimates, justification statements, and identity of source(s) of funds.)

5. Will the proposed research require renovation or alteration of physical plant, electrical wiring, plumbing, etc? (If yes, attach an explanation with identity of source(s) of funds.)

6. Will the proposed project involve the use of hazardous substances?...generate hazardous wastes?...involve biological hazards?...require any safety considerations? (If yes, attach explanation.)

7. Will the proposed project involve the use of radiosopes? (If yes, forward an information copy of the proposal to the Radiological Safety Officer.)

8. Will the project involve proprietary research?...do all investigators understand and agree?...have questions of patent rights, copy rights, etc., been resolved to everyone's satisfaction?

9. Will the proposed project deal with recombinant DNA? (If yes, confer with the Chairman, Institutional Biosafety Committee, regarding reporting requirements.)
IBC# _____ Approval Date _____

10. Will the proposed project involve research on animals? (If yes, confer with the Chairman, Institutional Animal Care and Use Committee, regarding the need for special protocol statements and approvals; see also Form CSRS-662.)

11. Will the proposed project involve research on human subjects? (If yes, the Chairman, Institutional Review Board must review/approve the proposal.)

12. Has the Project Leader completed the training for Financial Conflict of Interest?
Approval Date _____ Expiration Date _____

13. Has the Project Leader completed the training for Responsible Conduct of Research?
Approval Date _____

Signatures of the Project Leader, Other Project Participants, and Department Head(s) on MAFES/FWRC Form (“Internal Review of Project Proposals”) serve to acknowledge and affirm: (1) the terms and conditions related to patents, inventions, and copyrights (intellectual properties) as stated in MSU’s policies regarding same; (2) the contractual obligation of the project leader and other project participants to produce scholarly and/or other creative works from this research project; and, (3) the Experiment Station’s annual report of project expenditures to USDA/CSRS (AD-419) as the primary source of fiscal data in all matters related to intellectual properties.

| | Proposal Review and Approval | Date |
|---------------------------------------|-------------------------------------|-------------|
| Project Leader | _____ | _____ |
| Other Investigator(s) | _____ | _____ |
| | _____ | _____ |
| Department Head | _____ | _____ |
| Cooperating Department Head(s) | _____ | _____ |
| Other Unit Administrator | _____ | _____ |
| Director – MAFES/FWRC | _____ | _____ |

REQUIRED DOCUMENTS SHOULD BE EMAILED ALONG WITH THE BELOW ATTACHMENTS:

- A.** Standard project proposal in required format; or for grant supported projects, submit an official copy of the gran proposal as approved for funding.
- B.** Grant supported projects must include the budget sheet or a copy of the approved budget documents.
- C.** Completed Project Intiation REEport Form from the REEport website.
- D.** One copy of each Subject Matter Reviewer Form.
- E.** All other required forms and acknowledgements per items 1-10 above.
