Rudbeckia Prairie Sun (2003 AAS Winner)

It's summertime on the prairie and the black-eyed susans are in bloom. *Rudbeckia* varieties are among our favorite first-year flowering perennials, but perform admirably in our Trial Gardens yearly as annuals. Easily grown from seed, the varieties shown here are just a sample of those available. Two are All-America Selections (AAS) winners. Now stop, be still, and listen very carefully – the sounds of a distant thunderstorm carried on the prairie wind.
